RideKC Freedom’s Service Options

The results from your in-person assessment will determine the type of service you will be eligible to use. RideKC Freedom offers two services to meet your needs.

Scheduled Services (ADA and Non-ADA)
ADA. As required by ADA law, paratransit service must be provided to serve persons with disabilities who are unable to fully use fixed-route buses or the streetcar.

Non-ADA. This service is also available, though not required, to persons with disabilities and older adults.

Same-Day Service (Non-ADA)
Freedom On-Demand service is another non-ADA option for persons with disabilities and older adults, that mainly features same-day scheduling and a mobile app for trip reservations and fare payment.

Be sure to read through this guide for more on the service areas, reserving your trip, fares and more details about Scheduled and Same-Day services.

Reserving Scheduled Service (Cont’d.)

During the call, the Agent:

1. Will give your “30-minute pick-up window.” Expect the vehicle to arrive and please be ready to go at the beginning of your pick-up window.
2. Will repeat your trip information and the exact fare for each trip.
3. May need to negotiate an alternate travel time not to exceed one hour before or after your requested time, if we are unable to accommodate your request. (See the Policy booklet on Travel Negotiation).

When you are unable to schedule a return ride home with your medical provider, Freedom On-Demand offers same-day scheduling at varying prices. Refer to Freedom on Demand pricing.
Before Hanging Up!

- If possible, consider scheduling weekday service between 9 a.m. and 1 p.m. or after 5 p.m. to avoid busy rush hour times.
- Schedule your return trip so that you have plenty of time to finish your appointment.
- Know the opening and closing times at your destination to avoid waiting outside the building before or after business hours.
- Since Scheduled Service is a “shared-ride, be prepared to be on the vehicle up to one hour or more for longer trips to accommodate other passengers’ trips.
- Listen carefully to the Agent to make sure your trip is scheduled correctly.
**Attendants and Guests**

**Reservations and Scheduling**

**Personal Care Attendants (PCA)**
Be sure to inform the Agent if you are traveling with a Personal Care Attendant (PCA). The PCA travels free but must accompany you the duration of your trip, not for only part of the trip.

**Guests (or Companions)**
Adults or children are welcome to ride with ADA-eligible customers as long as space is available; however, only one guest per trip. Guests must travel with you the entire trip and are required to pay the fare (see fare table on page 4).

When scheduling, you must reserve space for your PCA or Guest. Otherwise, they will not be allowed to travel.

*Johnson County allows Personal Care Attendants only – no guests.*

4. Inform the Agent if you need assistance boarding the vehicle.

- Freedom On-Demand uses regular taxis and wheelchair-accessible vehicles.
Special Programs for Regularly Scheduled Trips

Subscription Service
Subscription Service, also known as a “Standing Order” may be available to RideKC Freedom customers who use Scheduled Service and regularly travel a minimum of three trips to and from the same destination.

- Trips must be exactly the same each day – including day of the week, pick-up time, appointment time, number of passengers, origin and destination. Common examples are work, school and dialysis trips.
- There is no need to call each time and schedule; just one phone call takes care of all of the trips.
- This service is not available on holidays. Therefore, you must call RideKC Freedom and schedule your trip about two weeks in advance.
- Subscription Service is approved on a first-come, first-served basis since it is not ADA-required.
Premium Service (Johnson County Trips)

“Premium” Service is offered to customers who regularly travel to and from the same Johnson County destination. You must travel a minimum of three trips to and from the exact same destination.

Here is how Premium Service works:

· Customers must enroll in the program. Download the application at www.RideKC.org, click Mobility Services and refer to the Johnson County link. Or call (816) 842-9070, press Option 2 to request an application in the mail.
· Once enrolled, you will receive a monthly bill to pay in advance for scheduled trips.
· Payment for the fare is due by the 22nd of each month. If payment is not received, Premium Service will be suspended.
· No need for cash fare or punch pass.
· You may cancel a trip at least two hours before scheduled pick up.
· To cancel a trip, please call (816) 842-9070 and select Option 2.
· Cancellations can be left on voice mail after-hours.
Tips on Using Subscription and Premium Services

- You still must call to cancel trips if the trip is not needed for a particular day. No-Show and Late-Cancellation Policies still apply to Subscription trips.
- You can contact RideKC Freedom to temporarily suspend Subscription Service when travel is not needed such as vacations, hospital stays, etc.
- Be sure to maintain a consistent travel history. Excessive cancellations and/or no-shows may disqualify you from further Subscription Service, in addition to No-Show and Late-Cancellation penalties.
- All applicable customer fares for Scheduled Service must be paid at the time of the trip.
- Advanced fare payment applies to Premium Service.
- Failure to pay may result in suspension or removal from subscription or premium service.
RideKC Service Provision Guidelines

The moment you are ready to go, we want you to have a safe and comfortable experience using RideKC Freedom services. Our uniformed drivers will arrive in a “RideKC Freedom” sedan, transit van or mini bus. Freedom On-Demand uses taxis with the “RideKC Freedom” logo. Drivers are also required to wear identification badges and identify themselves as RideKC drivers.

Your Ride Is Here
When it comes to making sure we deliver on our service, there are provisions in place you should know.

1. RideKC Freedom will schedule and send the most appropriate vehicle for all the reserved trips on that route. Please inform the Agent if you need a wheelchair accessible vehicle so that this request is noted on your reservation.
2. Drivers are required to wait for passengers up to five minutes after arrival or five minutes after the start of the pick-up window, whichever is longer.
3. The pick-up and drop-off points must have a cleared and accessible path for wheelchairs and other mobility devices.
4. Drivers are unable to assist passengers up or down steps or along other non-accessible paths.
More About Scheduled Service

Customers who use Scheduled Service should also be aware of the following:

- Your Ride. Expect and be prepared to be on board the vehicle for up to one hour, or more for significantly longer trips.
- Delays. In special circumstances, such as inclement weather or traffic incidents, trips may take longer than one hour.
- Shared Ride. You will routinely share your vehicle with other customers.
- Seating. Seat selection is first come, first served.
- The Route. The vehicle may deviate significantly from a direct route to your destination in order to accommodate fellow passengers.
Service Provisions (Cont’d.)

You Are Running Late or “Where’s My Ride?”
Things happen. Unexpected situations can affect the service you have reserved. It is important you call us at (816) 842-9070 and choose the correct prompt for Scheduled Service or Freedom On-Demand anytime you are running late, unable to complete your trip or your vehicle has not arrived.

· If you are running late or unable to take your original trip for Scheduled Service, call us as soon as possible to cancel. If you need a trip home, you may be directed to use and be prepared to pay the fare for RideKC’s Freedom On-Demand service.
· If your vehicle has not arrived by the end of the 30-minute window, call us and select the Where’s My Ride option.

No-Show Return Using Stand-by Procedures
RideKC Freedom may be able to offer a “no-show return”. If one of the following conditions occurs, RideKC may attempt to send another vehicle following Stand-by procedures:

1. The No Show was because of a reservations or scheduling error.
2. The No Show was caused by the vehicle arriving late or because of driver error.

NOTE: If you are at home or if you are not ready and/or refuse a trip after the driver contacts you within the pick-up window, RideKC Freedom will not send another vehicle.
Severe or Inclement Weather

When severe or inclement weather hits the region, RideKC Freedom implements Weather Phases based on the length and severity of anticipated service delays.

- Phase A: Many customers may experience delays of thirty (30) to sixty (60) minutes past scheduled pick-up times.
- Phase B: Significant delays are occurring system-wide with some customers experiencing delays of more than 60 minutes past their scheduled pick-up times.
- Phase C: Delays of over one (1) hour are likely with significantly longer delays possible. Customers with non-critical trips are encouraged to cancel and reschedule.
- Phase D: Because of extremely hazardous conditions, service is temporarily suspended. Customers should contact RideKC Customer Service Agents to reschedule their trips.

Paratransit service vehicles operate on side streets that may not be cleared of snow or ice. RideKC Freedom staff will do their best to notify you if the driver encounters difficulty as result of snow- or ice-packed streets or walkways. RideKC drivers do not clear snow or ice.
Please be sure a current phone number is on file. Drivers will assist customers when the walks are cleared of snow and ice. It is a customer’s responsibility to have walkways cleared.
