

## Save money automatically with fare capping.

Instead of traditional free transfers, RideKC will now offer fare capping.

Once your spending reaches the cost of a daily, weekly or monthly pass, you will stop being charged, automatically. Learn more at [ridekc.org/fares](https://ridekc.org/fares)

## What to expect when you board

1

Look for this device near the driver.

2

To pay, just tap or scan.

3

When you see the green light or hear the tone, you're good to go!

It's that easy. No transfers issued and no cash accepted.

## HELPFUL TIPS

Have your payment ready before boarding

Hold your card to the symbol

Turn up the brightness on your mobile device

Listen for a beep or look for the green light

If your payment doesn't work, adjust your positioning and try again
