BOOK A RIDE

Mobile App:

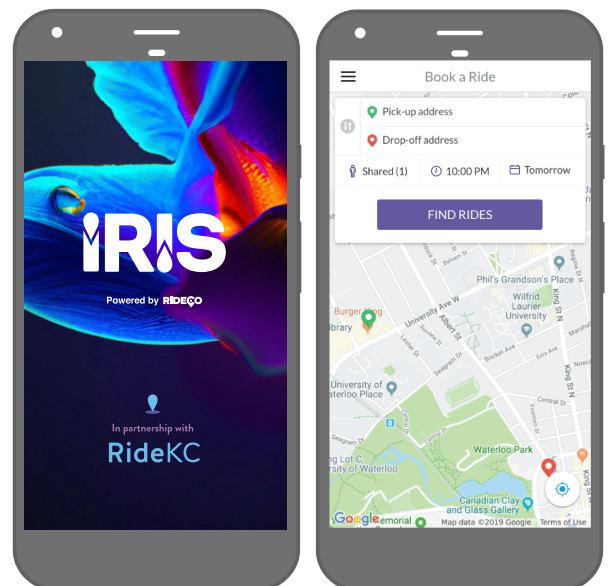

Download the IRIS app from RideCo in the Google Play store or the App Store. Anyone within the service area can summon a ride using the mobile app. Simply enter your destination address.

After you're done booking you'll see the trip displayed in your upcoming trip list. The app will provide a window of time during which you'll be picked up for your trip. You can also use the app to cancel a future ride.

Keep the app open to stay informed on your ride status. Customers using the app will get a notification when their ride is arriving.

You have the option to get updates about your ride's location via the IRIS app and SMS text notifications.

Phone: call 816-205-8221

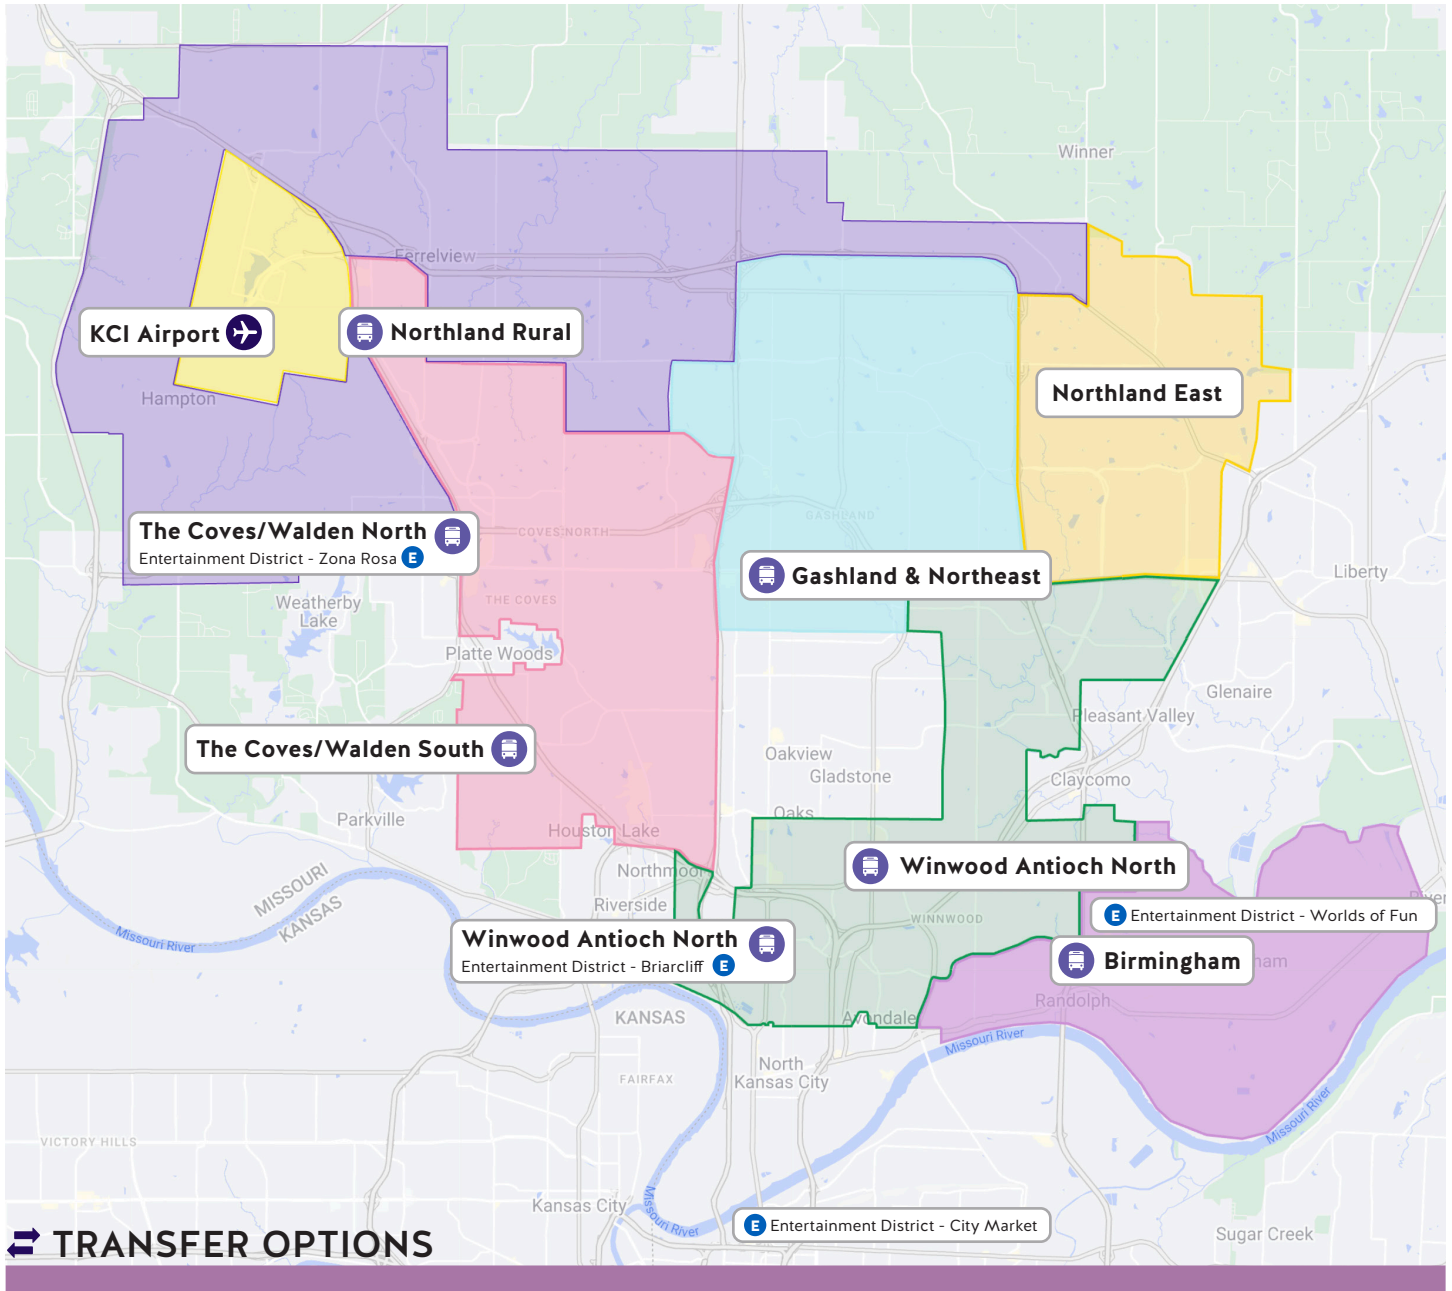

Your Ride: IRIS vehicles may be a cab or an IRIS only vehicle. Many IRIS vehicles will have distinctive graphics as seen here. zTrip cabs serving IRIS customers will have an IRIS or RideKC logo on the side of the vehicle near the back.
