BIDDER QUESTIONS/REQUESTS FOR CLARIFICATION

1. **Question:** What is more important for the Bucket truck? The F650 platform does not come in four-wheel-drive. If the F650 platform is more important, it comes in 2 Wheel Dr. We can do a conversion That is fairly pricey to make it a 4x4. Or if four-wheel-drive is more important, we can put them on an F 600 regular cab or F550 extended cab Super duties. The original addendum was clear as mud. I just want to make sure we are providing the best options for KCATA Family. So basically what is more important the larger platform or 4x4?

Reply: F-550 4 x 4 extended cab Super duty
